

The Summer Holiday Project Reaching Families Year 1

What we did: Family Learning

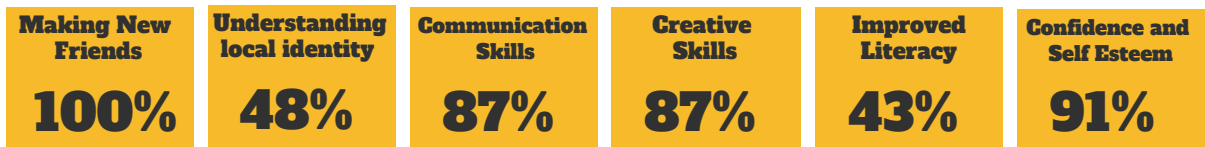

'It's done wonders for my son's development, the staff are amazing with the kids and parents and have helped to boost my child's confidence'

What we did: Family Support

% of Parents reported benefits for children's learning and development

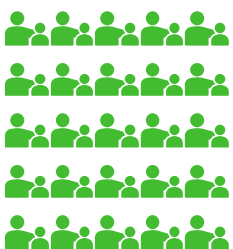

What Parent's said

91% said they feel more confident in supporting their child's progress and development

85% of families found out about other services through attending activities

96% said they met new people as a result of attending activities

58% of families said they had accessed other services as a result of attending

47% Adults with English as a second language

30% of adults not working, 21% single parents

68% of families living in Deptford (SE8) and New Cross (SE14)
